And More!

American Landscape Institute

A 2-year “Earn and Learn” program for the Maryland landscape and nursery industry, ALI combines paid employment and a college scholarship to study horticulture at CCBC. Students graduate debt free and have the knowledge to be managers in the horticulture industry.

This Fundraiser Benefits the American Landscape Institute Scholarship Fund

**Note: The plants will be under a tent
and social distancing will be practiced.**

THE
FARMYARD

We are proud to partner with ALI to raise money for horticulture students.

We know you will enjoy shopping for plants, visiting our farm animals, and exploring our farm paths. Bring the kids and enjoy a snowball!
